# **STAMP OUT WAR**

# STAMP OUT WAR

is a creative charity art project that unites people from all over the world to show solidarity with Ukraine and raise funds for its relief efforts – using **postage stamps**.

# 02 Project development

# We decided to create ...

**maxicards** that are visually stunning  
and historically significant by  
combining postcards, stamps, and  
postmarks in a way that celebrates  
Ukraine and its people

# **Wait!**

## **What is a maxicard?**

# About maxicard

# About **maxicard**

It's a postcard that features a stamp and a postmark that are related to the same theme, creating a visually stunning and highly collectible item that's beloved by stamp collectors and history buffs alike

# About maxicard

It's a **postcard** that features a stamp and a postmark that are related to the same theme, creating a visually stunning and highly collectible item that's beloved by stamp collectors and history buffs alike

A Japanese maxicard about peace

**Why does the  
postmark  
matter?**

# **Postmark's** significance explained

# Postmark's significance explained

## Practical

Proof that a piece of mail  
has been accepted or  
processed

# Postmark's significance explained

## Practical

Proof that a piece of mail has been accepted or processed

## Historical

A tangible piece of history that carries the information about the date and location where the piece has been processed, hence has historical significance

# Postmark's significance explained

## Practical

Proof that a piece of mail has been accepted or processed

## Historical

A tangible piece of history that carries the information about the date and location where the piece has been processed, hence has historical significance

## Aesthetical

It's beautiful and some of them have special design

**Can I still participate if my country didn't  
issue a special Ukraine support stamp?**

**Can I still participate if my country didn't  
issue a special Ukraine support stamp?**

**Yes, absolutely!**

**Can I still participate if my country didn't issue a special Ukraine support stamp?**

**Yes, absolutely!**

Simply substitute the stamp with a sunflower/yellow flower stamp, and the result is still a visual match!
